

WMSHP

Western Michigan Society of
Health-System Pharmacists

42nd Annual Spring Seminar

May 17th, 2011

Prince Conference Center

Calvin College

1800 East Beltline SE

Grand Rapids, MI 49546

Borgess Medical Center
Department of Pharmacy
1521 Gull Road
Kalamazoo, MI

An educational program developed
for community and health-systems
pharmacists, technicians, and
students

Program Objectives:

- 1. Educate participants on current pharmacotherapy topics**
- 2. Update participants on current legislative activities and issues in the practice of pharmacy**
- 3. Provide participants with current best practices in providing care to patients**

The College of Pharmacy, Ferris State University is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmaceutical education. ACPE Universal Program

Number *Pending*

This program, in its entirety, has been approved for 5 hour(s) of continuing education credit (5CEUs) in states that recognize ACPE approved providers. To receive credit for the program, participants must fill out and submit a *Continuing Education Credit Request Form* and an *Evaluation Form* at the conclusion of the program. Statements of Credit will be mailed to participants 4 – 6 weeks following the program.

Schedule

7:15 - 8:00 Registration, Continental Breakfast, Exhibits

8:00 - 8:15 Welcome and Announcements

8:15 - 8:45 DVT/PE - A Family Perspective

Sara Wassenaar, D.D.S.

Objectives:

1. Identify signs and symptoms of DVT/PE
2. To know and be able to identify the risk factors for clotting

8:45 - 9:45 Current Concepts in the Diagnosis and Management of Venous Thromboembolism

Melissa Vandenberg, Pharm.D.

Objectives:

1. Discuss antithrombotic treatment options for venous thromboembolism
2. Describe the role of thrombolytic therapy for pulmonary embolism

9:45 - 10:15 Break and Exhibits

10:15 - 11:15 Preventing Stroke in Atrial Fibrillation: Overview of New and Emerging Antithrombotic Agents and Roles for Pharmacists

Nancy Shapiro, PharmD, FCCP, BCPS

This activity is planned and conducted by ASHP Advantage and supported by an educational grant from Bristol-Myers Squibb and Pfizer.

Objectives:

1. List two sources of evidence-based guidelines related to preventing stroke in patients with atrial fibrillation
2. Identify at least two current challenges related to antithrombotic therapy in patients with atrial fibrillation
3. List at least two potential roles for pharmacists related to ensuring the safe and effective use of new and emerging antithrombotic agents for preventing stroke in patients with AF at both the patient-care and institutional levels

11:15 - 12:15 Leadership is Not Just For Leaders

Mike Toscano

Objectives:

1. Identify and understand the core role of a leader at any level in an organization
2. State the differences between managing and leading
3. Learn five leadership practices that can apply to a pharmacy preceptor's skill set

12:15 - 1:15 Lunch and Exhibits

1:15 - 2:15 Pharmacy Legislative Update

Karen Jonas, R.Ph, FASCP

Objectives:

1. Explain the power of one individual to impact their legislator and legislation
2. Learn about the legislative priorities of the Michigan Pharmacists Association
3. Understand how pharmacy technician licensure legislation will affect the pharmacy profession

2:15 - 2:30 Break and Exhibits

2:30 - 4:00 The Nuts and Bolts of Insulin Resistance

Kristina Rowley, Pharm.D., CDE

Objectives:

1. Explain insulin resistance in type II diabetes mellitus and methods of minimization
2. Compare the onset, peak, and duration of action of U-500 insulin to other available insulin products

Making U-500 Work Safely - Panel Presentations and Discussion

Ryan Bickel, Pharm.D., BCPS

Kym Moline, Pharm.D.

Dana Staat, Pharm.D.

Objectives:

1. Discuss the medication safety concerns associated with U500 insulin
2. Understand the role of a failure mode and effects analysis (FMEA) in developing U-500 insulin use criteria

REGISTRATION FORM

Name _____

Address _____

Phone _____

Title _____

Place of Employment _____

Registration fee includes program and CE, handouts*, continental breakfast and lunch.

*Handouts will be available at www.wms hp.net after 5/14/11. Please review handouts on-line prior to 5/17/11 and print any handouts you would like to have available to you during the seminar.
